

An aerial photograph of a lush, rolling landscape. The foreground is dominated by a wide, winding river with a vibrant blue-green hue, likely from a dye or paint. The surrounding hills are covered in vibrant green grass and fields, with some areas appearing to be recently plowed or planted. The lighting is warm and golden, suggesting a sunset or sunrise, with long shadows cast across the terrain. In the distance, a small town or village is visible on a hillside. The overall scene is peaceful and scenic.

Welcome

Dear Parents / Guardians,

Thank you for taking the time to look at Bede's transport service for the 2025-2026 academic year. This is the second version of such a guide, which sets out a variety of minibus and coach routes available to the pupils at Bede's Senior & Prep School.

Bede's School has partnered with Vectare, a specialist school transport management company, to assist with our home to school bus services. All bookings for our school minibus and coach routes will now be made via our online booking system, and can be accessed at bedes.vectare.co.uk. The weSeniorite also incorporates an interactive journey planner which allows you to enter your postcode and find your closest bus stop.

This guide provides an overview of the school bus service network and contains further details including fare and timetable information. All bookings for all routes can be made via the dedicated transport weSeniorite.

The weSeniorite allows you to book travel 24/7 from anywhere in the world, meaning that if you need to leave early for work one morning or you are running late and you would like your child to travel on a school bus as a one off, you can make a booking (subject to availability), on the same day of travel if required.

Other amendments and changes can also be made via the '**my account**' section of the weSeniorite.

If you need any further assistance, please contact us via the bookings weSeniorite and we will be pleased to assist. I would like to take this opportunity to wish your child a pleasant and successful academic year ahead.

Thank you for supporting this exciting initiative.

Yours faithfully,

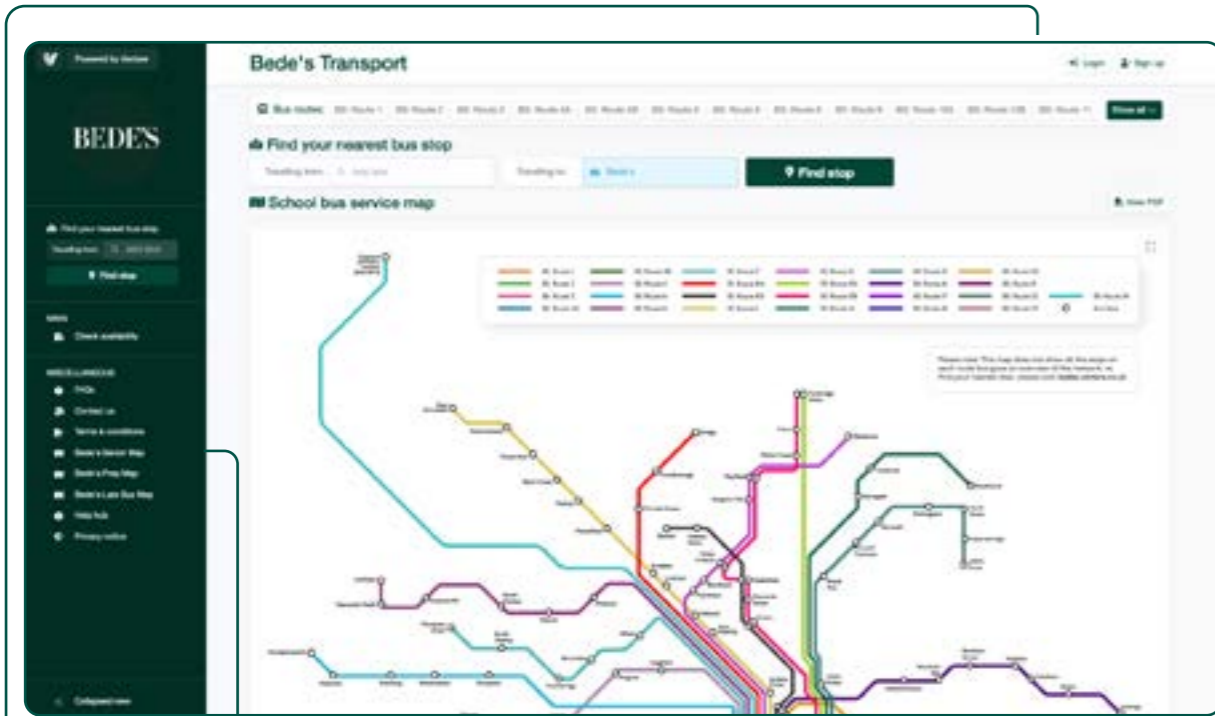

Bede's School Transport Team

How to book

bedes.vectare.co.uk

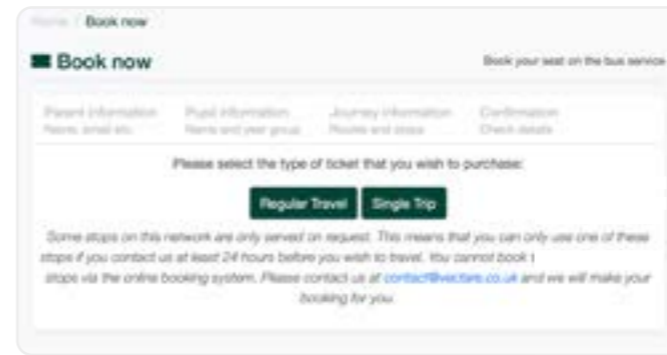

1 How do I sign in?

To sign up click the **“Log in”** button on the top-right of the weSeniorite.

2 How do I make a booking?

To make a booking please click the **“Book Now”** button (once logged in) on the left-hand side of the weSeniorite. Alternatively, if you type your postcode in under the **“Find your nearest stop”** banner on the top, you will be able to see all of your closest stops and click **“Book Now”** from here.

3 Booking / Payment

Simply fill out your information on our system once you have logged in.

Please ensure that your child arrives at the time of the booking as the bus will not wait after the departure time.

Apple App Store

Google App Store

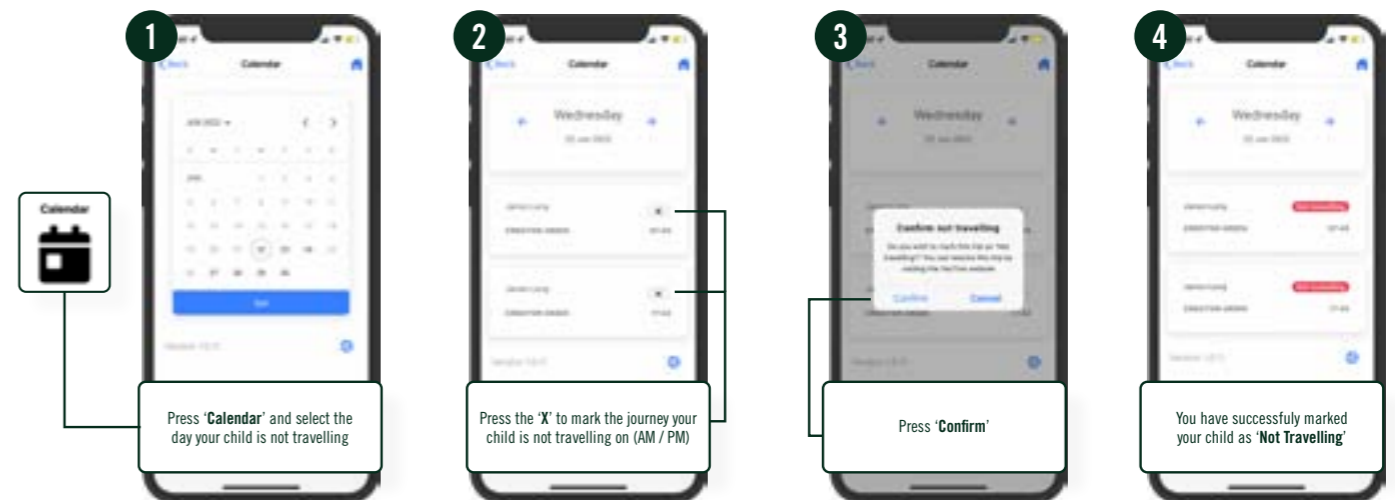

VecTive Passenger app is available to download on the apple app store or google play store.

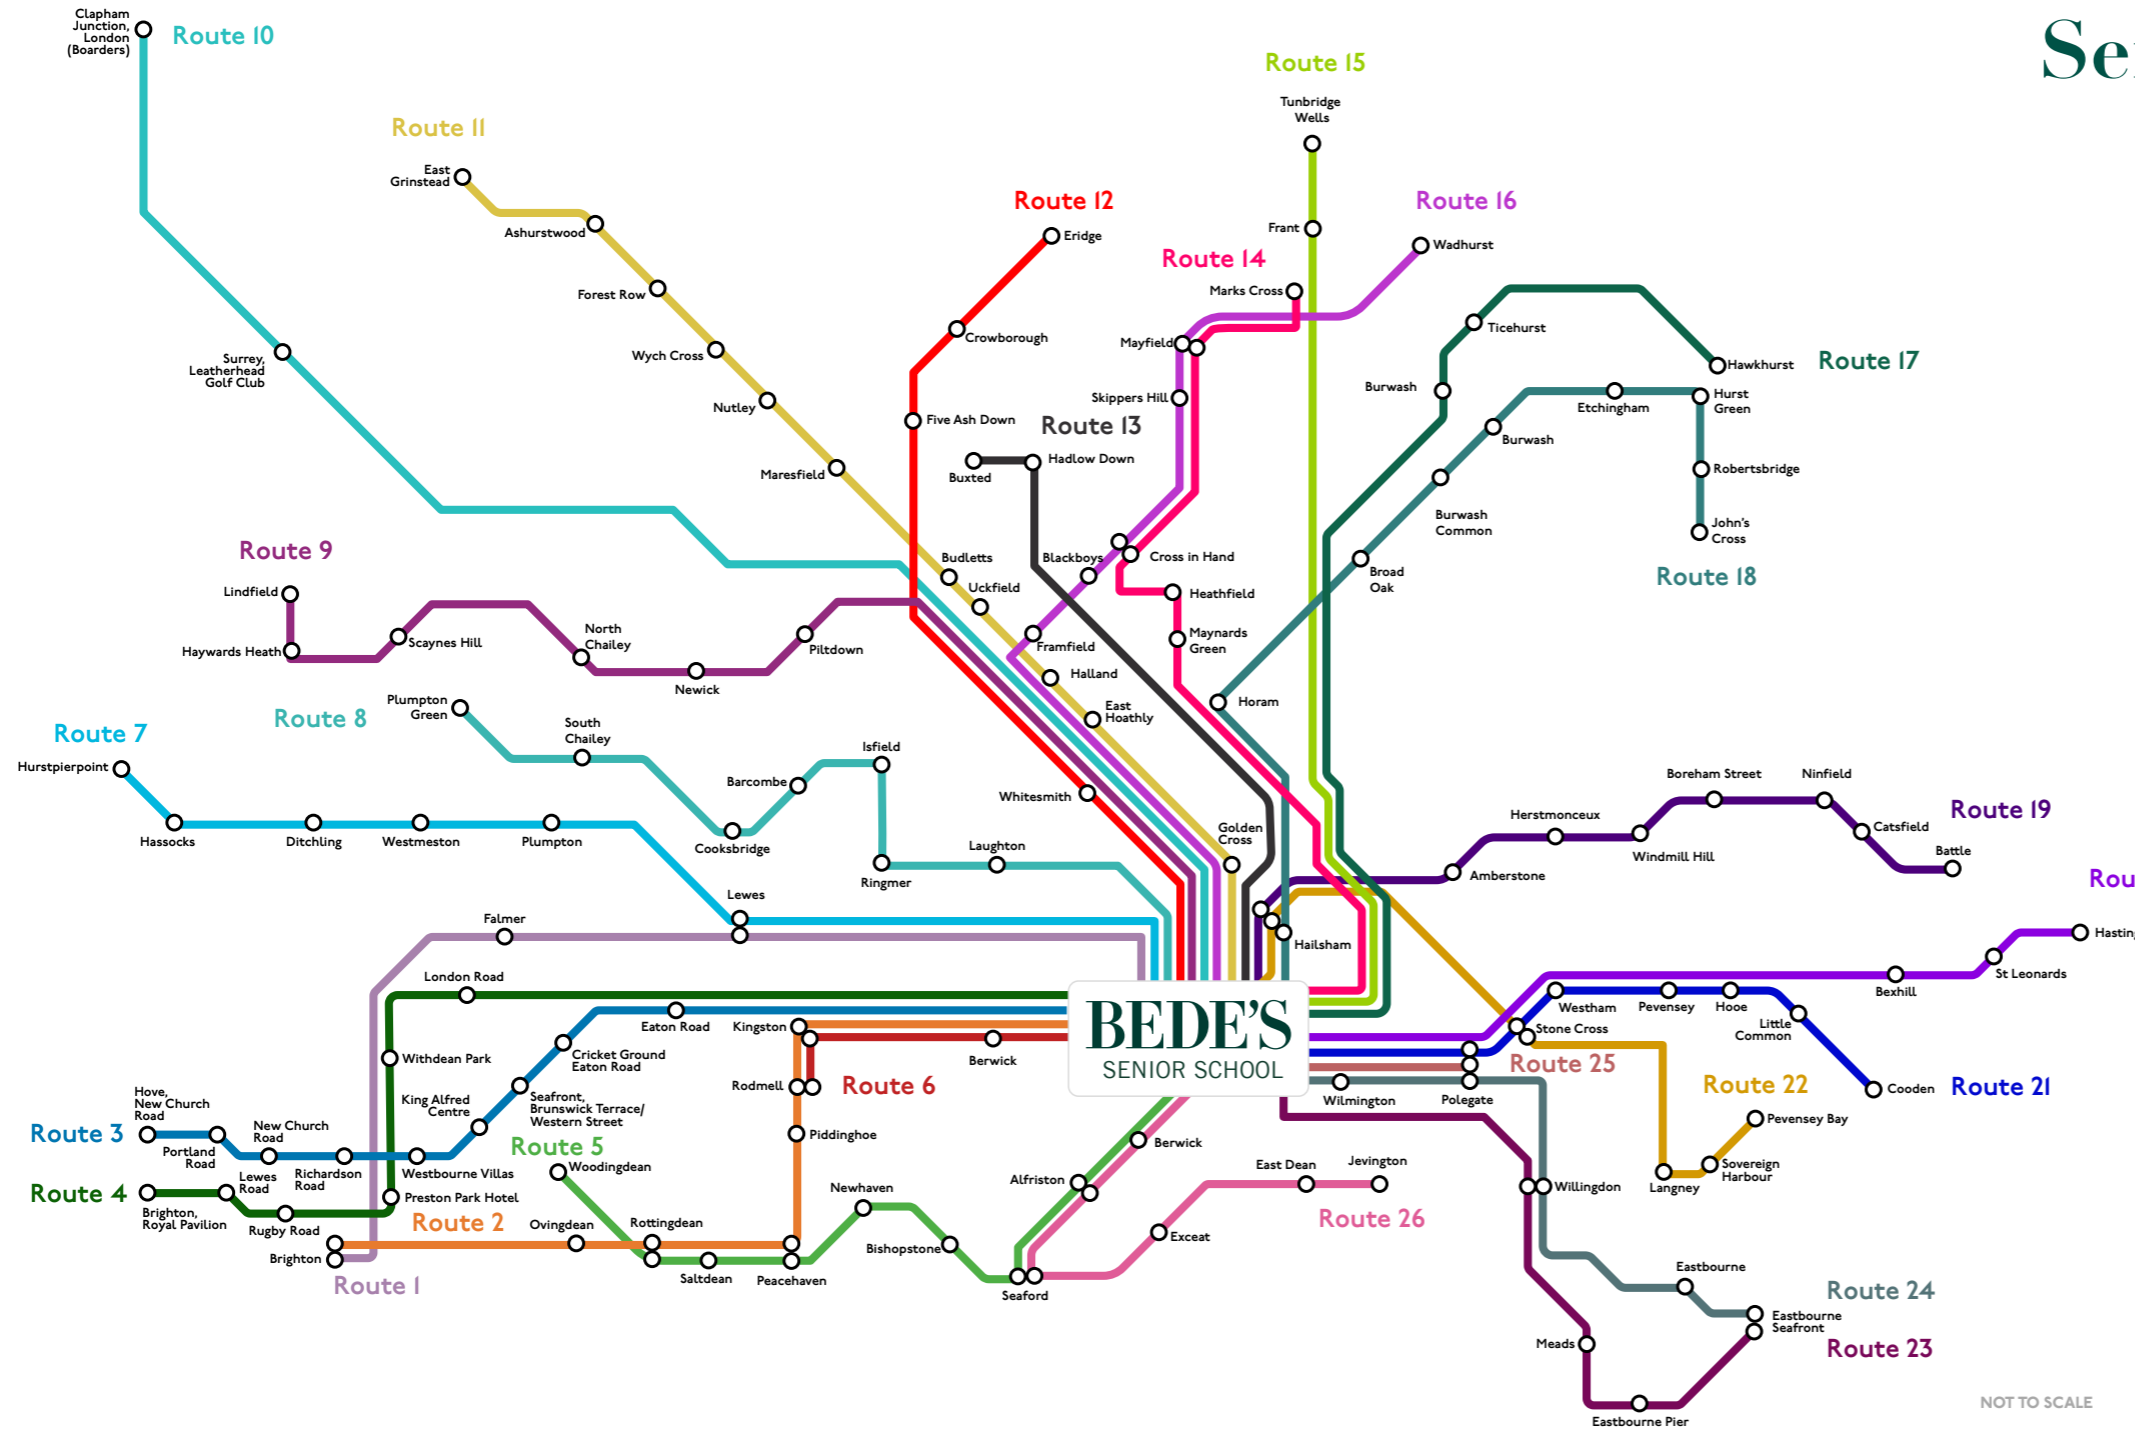

Passenger App

Mark as **Not Travelling**

To avoid unnecessary delays, don't forget to remove your child from the journey list if they are not travelling on any given day. This is easy to do on the app.

Terms & Conditions

1. This agreement is made between users of the School Transport Service, their parents and Bede's in order to provide safe and comfortable journeys for all passengers.
2. Arrangements for pupils' journeys to and from the School are the responsibility of their parents/guardians. To assist with discharging this responsibility, Bede's provides a School Transport Service. Parents/guardians remain responsible for their child(ren) at all times
3. Regular travel, changes to bookings and ad-hoc transport on the School Transport Service must be arranged in advance via the online booking system which can be found on the School's weSeniorite or via bedes.vectare.co.uk. Ad hoc bookings can only be made up until the evening before at 11:59pm
4. Variations to booked transport, or travel on the School Transport Service, without pre-booking, will result in charges added to the termly bill.
5. The Late Bus Service should be booked in advance for the week ahead. This can be amended from Monday that week. The cut-off time is at 11:10am each day (Mon-Thu) Any regular bookings can be moved to the late bus free of charge. Late buses are subject to sign ups. If no sign ups are made for a particular bus, this bus may not be available.
6. Bookings on the School Transport Service are non-refundable in the event of a pupil failing to travel. A full term's notice in writing, to the Transport Department, is required for withdrawal from the School Bus Service. This condition applies even in the event of a pupil being given permission to drive to School.
7. Each pupil for whom an online booking has been submitted by the parent/guardian will be added to a bus passenger list detailing the service they travel on, their bus stop and what travel has been paid for. Their name will appear on a list, which will be checked by the driver daily and by other staff from time to time.
8. Pupils must travel to and from Bede's in full school uniform. Sports kit or non-uniform can only be worn when permission has been granted.
9. Pupils should be at the bus stop at least five minutes before the scheduled time of departure to ensure they don't miss the service. Drivers will not wait at a stop beyond the scheduled departure time.
10. Parents/guardians of pupils in Year 8 and below must be present at the bus stop to meet their children off the bus. In cases where a parent is not present, the pupil will remain on the service for the rest of the route and will be returned to School if no contact with the parent/guardian is made. Permission to walk home for Years 6, 7 and 8 can be given via a form that is included in the Prep Newsletter and on the Vectare website side panel.
11. Good conduct is required at all times. Bullying, shouting, use of foul language, dropping litter, playing music, or any other misbehaviour is strictly forbidden. Pupils are not permitted to consume food or drink whilst travelling on the School buses unless by specific prior arrangement – this includes chewing Gum. Pupils must ensure that any online activity does not cause distress to others or contravene the School's Acceptable Use policy.
12. CCTV for monitoring purposes is in operation on the services for the safety of passengers and staff. Tampering with this equipment could result in disciplinary action.
13. The cost of any deliberate damage to the buses by pupils, will be recharged to the parents or guardians of that pupil.
14. Except when embarking or disembarking, or when instructed to move to a different seat in accordance with condition 15, all passengers must remain seated with their seatbelts fastened correctly. Any passengers failing to adhere to wearing a seatbelt are subject to a formal warning. If failure to comply a second time the passenger will be removed from our School's Transport Service.
15. Whilst using the School Transport Service, all passengers must accept without question the authority of a member of Bede's staff or a Driver who may ask them to obey any reasonable instruction such as to pick up litter, desist from certain actions or to move to a different seat.
16. Failure to comply with these conditions may result in disciplinary action, including temporary or permanent withdrawal of permission to use the School Transport Service.
17. Bede's School and the coach companies aim for all School Transport Services to operate within the industry tolerance of one minute early to five minutes late, however timings may vary due to traffic conditions or unforeseen circumstances. Bede's cannot be held responsible if the School Transport Service is late owing to circumstances beyond its control.
18. By using the School's Transport Service you are agreeing to adhere to any rules, regulations and terms and conditions that are outlined in any of our policies.
19. Bede's reserves the right to vary bus fares without prior notice for upcoming terms as necessary.
20. Please note that the route taken by the bus between stops may differ from the published timetable due to factors such as roadworks, closures, traffic, or weather conditions. The bus will always follow the safest and most practical route.
