Welcome

Dear Parents,

Thank you for taking the time to look at our School Bus Service guide, which is our fourth such guide for pupils at The Maynard School, Exeter School and Exeter Cathedral School.

We have produced this guide to provide an overview of the proposed school transport network, and to provide further details, including timetable, frequently asked questions and fare information.

We are delighted to be continuing our partnership with Vectare, a specialist school transport management company. Vectare are responsible for over 2.5 million school journeys per annum. Vectare will manage all aspects of the school's minibusservice, and any enquiries can be directed to their team at contact@vectare.co.uk.

All bookings for school routes are made via our online booking system, which can be viewed at ecs.vectare.co.uk or exetermaynard.vectare.co.uk. Payment for the service is made at the time of booking and your child's name will automatically be added

to the bus register. All of our routes are operated using our own in-house drivers and minibuses, or partner operators. Drivers are DBS checked and regularly undertake appropriate training to ensure the safety of the pupils travelling.

We hope that you are able to find a travel solution that works for you and your children. If you need any further assistance, or you would like to discuss travel options from areas not currently served by our school minibusservice, please get in touch with Vectare, who will be pleased to assist you.

Yours faithfully,

Graham Bone

Five Star Service

All vehicles are modern and are operated by either the schools or high quality bus and coach operators. This means that all our vehicles are regularly maintained to the highest standard, giving you peace of mind that your child is travelling in safety.

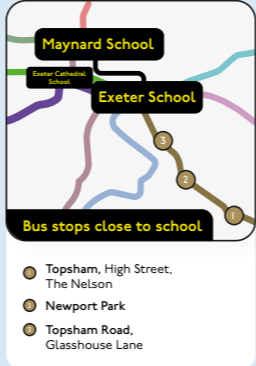

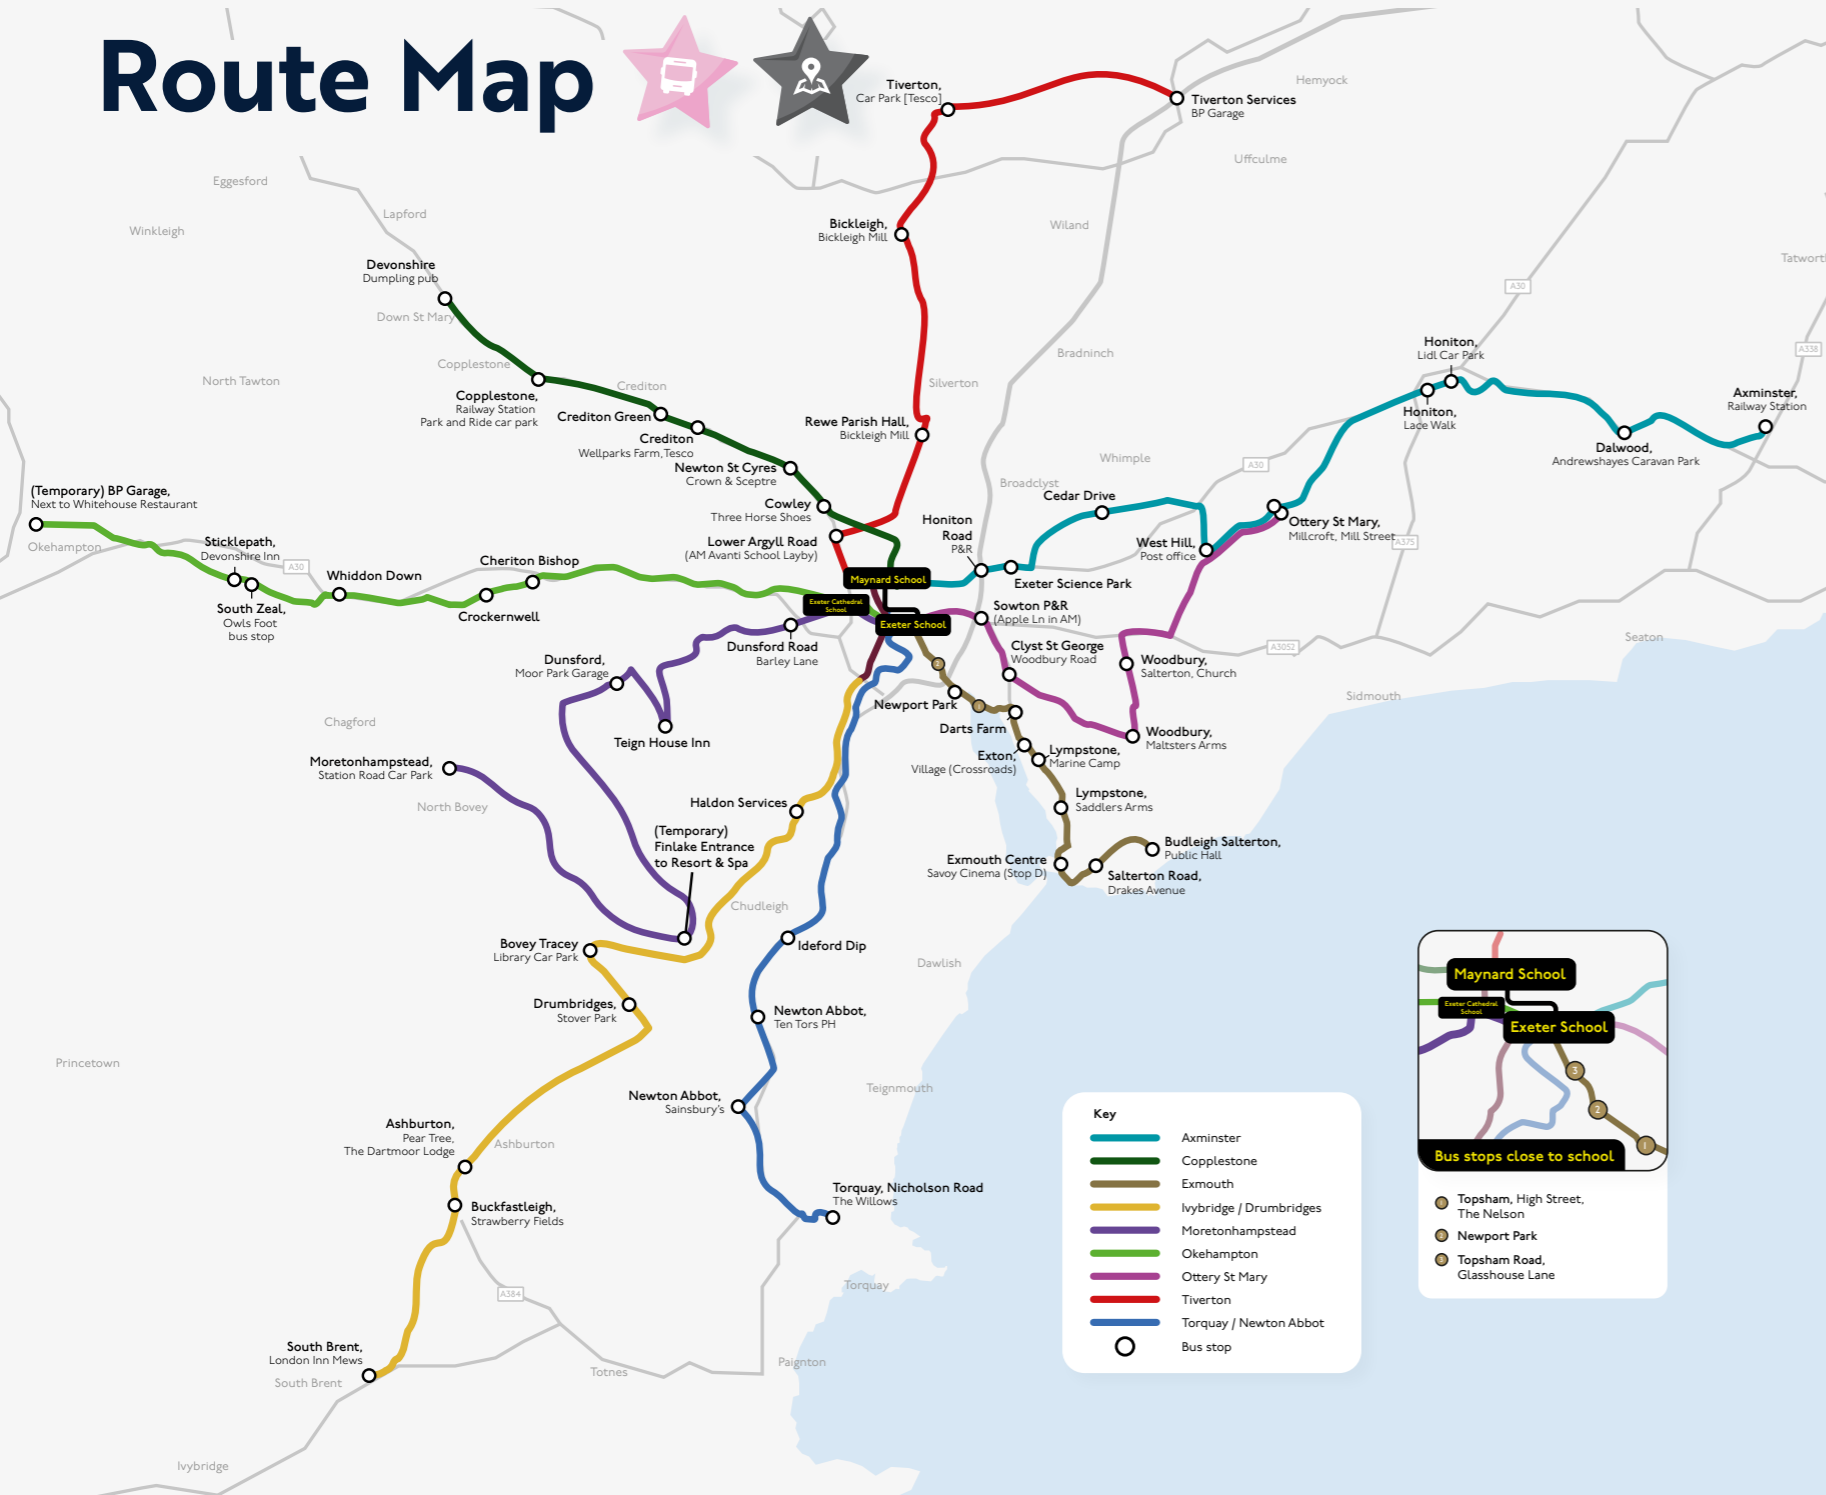

Wherever possible, we use dedicated drivers who work on the same route every day. These drivers get to know the pupils and are subject to an enhanced disclosure and barring service (DBS) check and all necessary training.

We offer a range of different tickets on our School Bus Service. From a single fare for a one-off journey through to return passes for the entire academic year, there are options for everyone's travel arrangements. You can book travel at any time throughout the year, so it is simple to book an extra journey or arrange travel for a visiting friend.

We will be operating eight routes that cover a large area surrounding the school. We want to offer you a travel solution that works for you and your child, so we will be welcoming feedback from both current and prospective parents to help us develop our transport network over time.

It takes less than 30 seconds to find your nearest bus stop online, and booking takes only a few minutes, so all of the information you need to arrange travel for your child really is at your fingertips. To find your nearest stop or to book your child's travel visit
