Transport Guide

Welcome

Dear Parents,

Thank you for taking the time to look at Oxford High School bus service for the 2024-2025 academic year. This is the inaugural version of such a guide, which sets out the wide range of travel options available to the pupils at Oxford High School.

At Oxford High School, we operate our own in-house School Bus Service network. Given the nature of the catchment area, it will not be possible to serve all towns and villages, however, we have tried our utmost to serve as many areas as possible.

All of our routes will be operated using our own in-house drivers and minibuses. Drivers are DBS checked and regularly undertake the MiDAS course to ensure the safety of the girls travelling. The team of drivers drive the same routes on a regular basis which allows both you and your daughter to get to know them.

In addition, and like other GDST Schools, Oxford High School has appointed Vectare, a specialist school transport management company, to manage the school minibus service. Vectare are responsible for over 2 million school journeys per annum. Vectare will manage all aspects of the school's minibus service, and any enquiries can be directed to their team at oxfordhigh@vectare.co.uk.

We understand that the current network will not work for all pupils, but with the changes to the Oxford traffic regulations, we recognise that pupils will be keen to use the service.

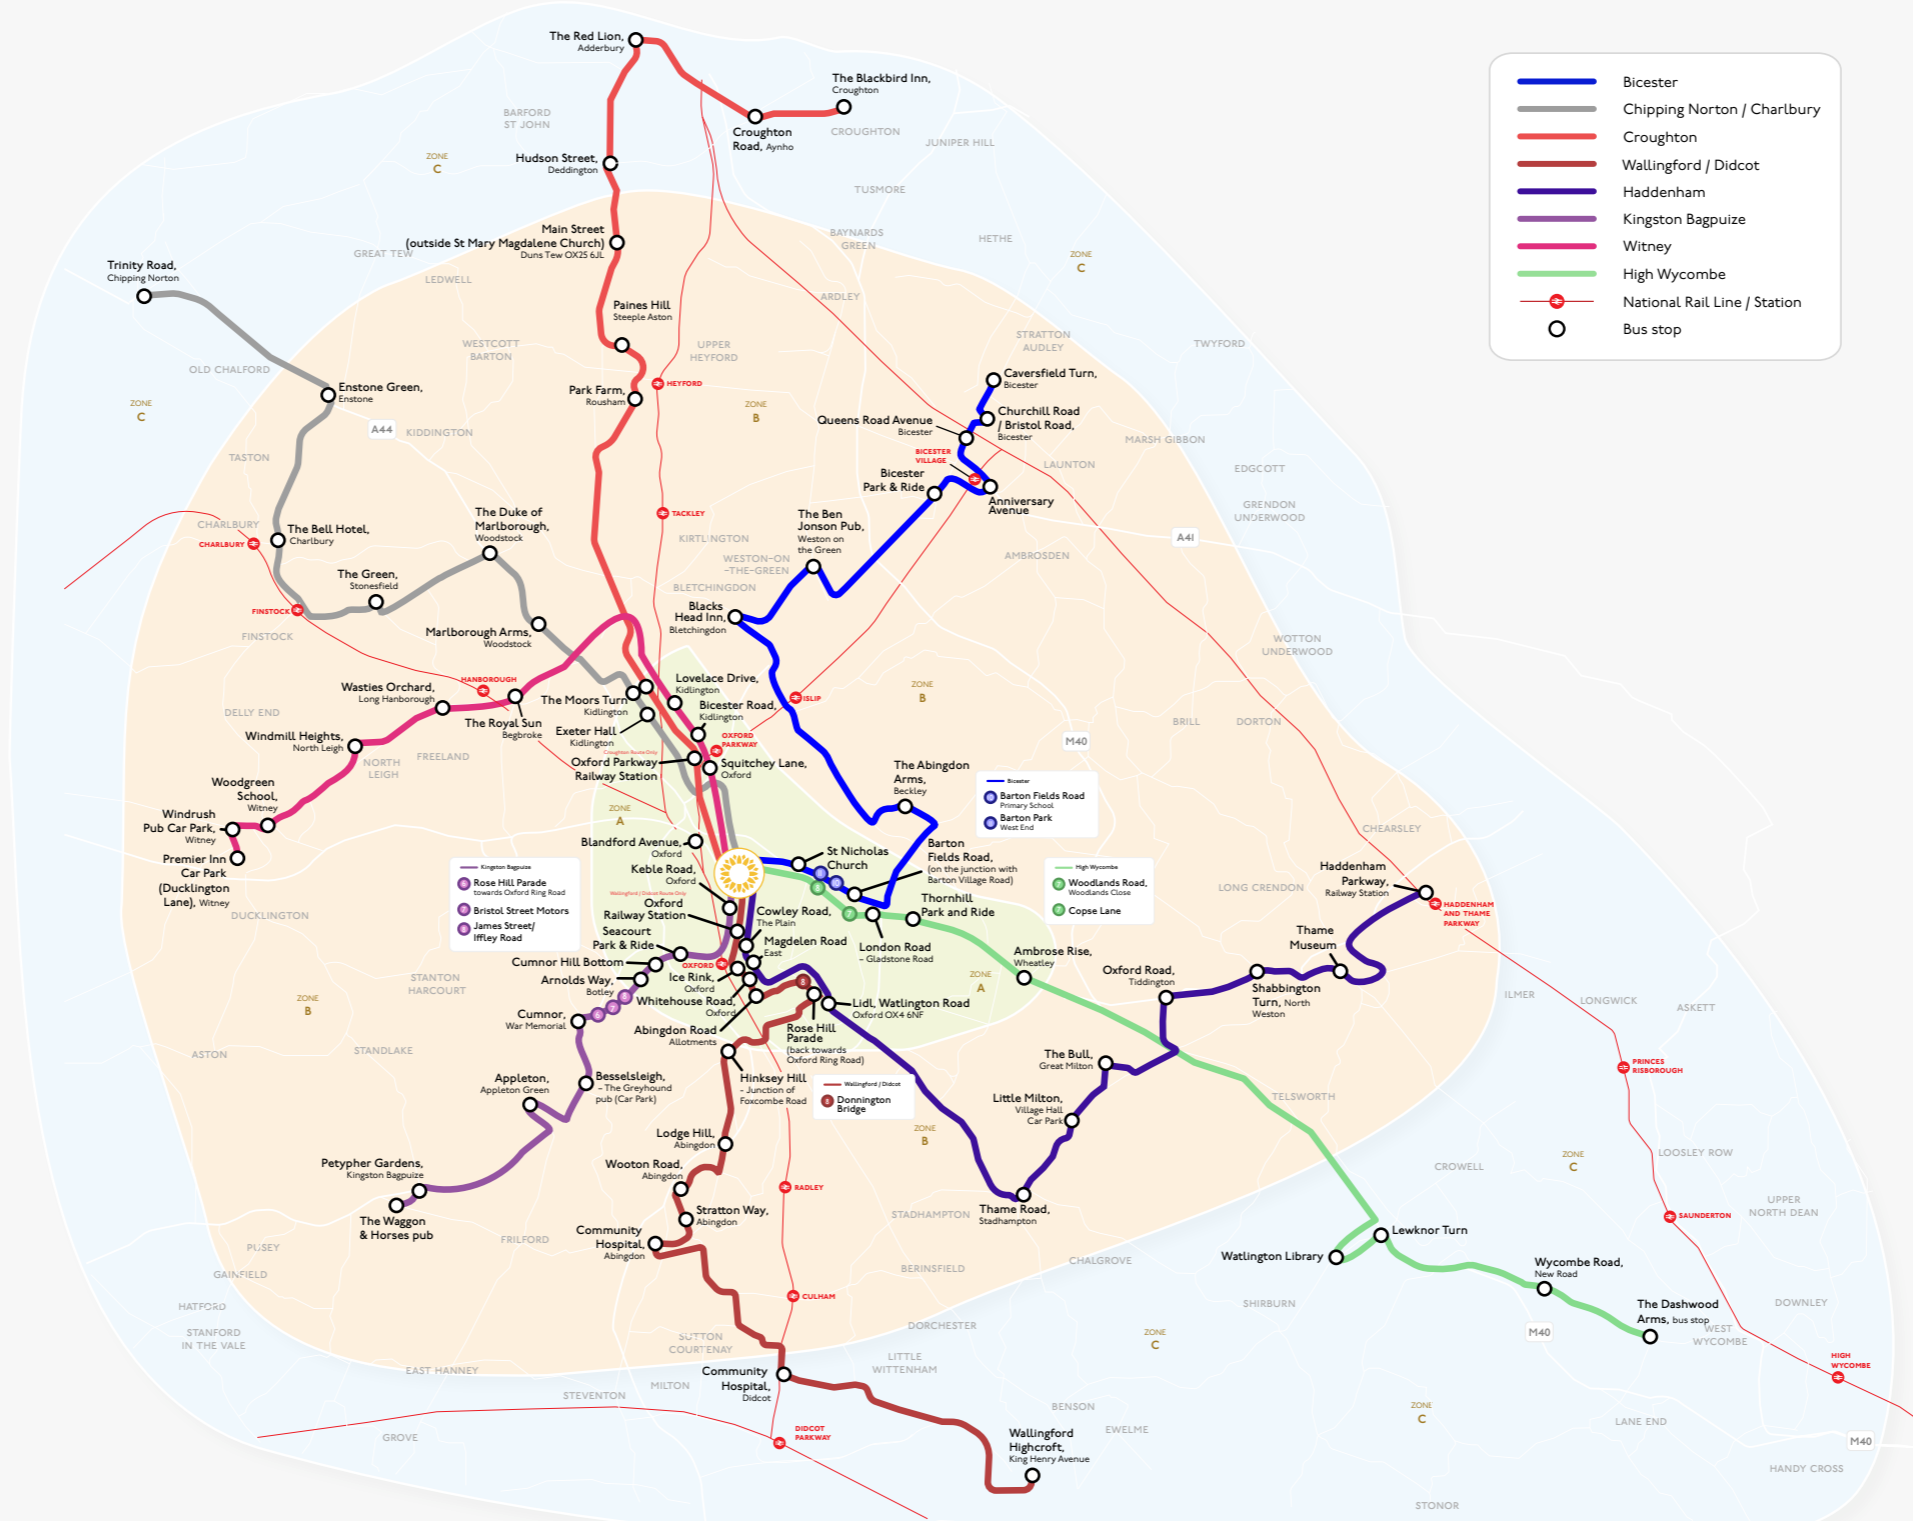

If there isn't an option that works for you, but you would like to use the bus service, please complete the "[Contact us](#)" form on the website, with your preferred details. Vectare will acknowledge this and then we will review each request over the half-term break before reverting back to parents. Whilst it might not be possible to accommodate every request, we are keen to ensure as many pupils as possible can use the bus service.

With kind regards,

Nick Woods
Director of Finance and Operations

Terms & Conditions

1. This agreement is made between all school bus passengers, their parents and Oxford High School in order to provide safe, comfortable and civilised journeys for all passengers.
2. Arrangements for pupils' journeys to and from school are the responsibility of their parents. To assist with discharging this responsibility, Oxford High School provides a School Bus Service. Parents are responsible for their daughters at all times including both prior to and after boarding and alighting.
3. Transport on the School Bus Service must be arranged in advance and is paid for through the online booking system. The booking options are for either mornings, afternoons or a return service, for the full academic year, subject to availability.
4. Bookings are non-refundable in the event of a pupil failing to travel.
5. Bookings are to be made via oxfordhigh.vectare.co.uk.
6. Each pupil for whom an online form has been submitted will be added to a bus list detailing the service they travel on, their bus stop, and what travel has been paid for. Their name will appear on a list which will be checked by the driver.
7. One full term's notice must be given by a parent prior to the removal of a pupil from the school coach service (apart from ad hoc journeys).
8. No pupil is permitted to travel on the School Bus Service if not pre-booked for that bus, as they will not be insured to travel. Other arrangements for journeys to and from school must be made by them or their parents.
9. Pupils should be at the bus stop 5 minutes before the scheduled time of departure to ensure they do not miss the bus. Drivers will wait 2 minutes past the scheduled departure time.
10. Good conduct is required at all times. Bullying, shouting, use of inappropriate language, dropping litter, playing loud music or any other misbehaviour is strictly forbidden, as is eating on the bus. Pupils must ensure that any online activity will not cause distress to others as set out in the school ICT Acceptable Use Agreement.
11. Except when embarking or disembarking, all passengers must remain seated with their seat belts fastened correctly.
12. Whilst on a school bus, all passengers must accept the authority of a member of staff or driver, who may ask them to obey any reasonable instruction such as pick up litter, cease from certain actions, or to move to a different seat.
13. Failure to comply with these conditions may result in the matter being referred to the pupil's form teacher or Head of Year and may result in disciplinary action, including temporary or permanent withdrawal of permission to use the School Bus Service.
14. Oxford High School aims for 95% of journeys to operate within the transport industry window of tolerance of one minute early to five minutes late, however timings may vary due to traffic conditions or unforeseen circumstances.
