# Welcome

Thank you for taking the time to look at our Transport and Travel Guide for the 2025/26 academic year. This is our third such guide, which builds on the bus briefing documents from previous years.

We are delighted to be continuing our partnership with Vectare, a specialist school transport management company. Vectare are responsible for over 2.5 million school journeys per annum. Vectare will manage all aspects of the school's bus service, and any enquiries can be directed to their team at [princethorpe@vectare.co.uk](mailto:princethorpe@vectare.co.uk).

All bookings for school bus routes are made via our online booking system, which can be viewed at [princethorpe.vectare.co.uk](http://princethorpe.vectare.co.uk). This is for both ad-hoc journeys and regular single and return pass travel bookings.

New to the network are three late bus services which serve key locations Monday - Thursday. These serve Leamington/Stratford, Coventry/North Rugby and South Rugby/Southam.

Payments for the single and return passes are added to the termly account, in the same way as previously, with payments for ad-hoc travel made at the time of booking using credit / debit card.

Should you wish to make any amendments to your booking: change of stop, change of bus pass type, book a late bus; please make these via the 'my account' section of the website.

The website also incorporates an interactive journey planner which allows you to enter your postcode and find your closest bus stop.

Our routes are operated by high quality bus operators who have been approved by Princethorpe College. All drivers are DBS checked and a small team of drivers are allocated to the routes every day, which allows both you and our pupils to get to know the drivers on the routes. All vehicles used have seatbelts fitted to each seat and are maintained to a high standard.

If you need any further assistance planning a journey to the school, would like to discuss travel options from areas not currently served by our school bus network or have questions not covered by the Frequently Asked Questions on the website, then please contact us via the School transport website ([princethorpe.vectare.co.uk](http://princethorpe.vectare.co.uk)).

# Terms & Conditions

- This agreement is made between all school bus passengers, parents and Princethorpe College in order to provide safe, comfortable and civilised journeys for all passengers.
- Arrangements for pupils' journeys to and from school are the responsibility of their parents. To assist with discharging this responsibility, Princethorpe College provides a school bus service. Parents are responsible for their son/daughter at all times including both prior to and after boarding and alighting. The College's risk assessment of the bus service is published on the Parent Portal and is sent out via The Flagpole at the start of each academic year whenever there are changes.
- Transport on the school bus service must be arranged in advance and is paid for [through the online booking system](#).
- Bookings are non-refundable in the event of a pupil failing to travel.
- Bookings are to be made via [princethorpe.vectare.co.uk](http://princethorpe.vectare.co.uk). A half term's notice is required if the pupil no longer needs to use the service.
- Each pupil for whom an online form has been submitted will be added to a bus list detailing the service they travel on, their bus stop and what travel has been paid for. Their name will appear on a list which will be checked by the driver.
- It will be the parent's responsibility to inform the school via the Contact Us form on the website if they no longer wish for their child to use the school bus service. Notice of half a term must be given by a parent prior to the removal of a pupil from the school bus service.
- No pupil is permitted to travel on the school bus service if not pre-booked for that bus. Other arrangements for journeys to and from school must be made by the pupil or their parents. Failure to book in advance, will result in a £10.00 penalty fare being charged.
- Pupils must travel to and from Princethorpe College in full school uniform, unless special permission is granted for non school uniform ie Non Uniform Day.
- Pupils should be at the bus stop 5 minutes before the scheduled time of departure to ensure they do not miss the bus. Drivers will not wait past the scheduled departure time.
- Good conduct is required at all times. Shouting, use of inappropriate language, dropping litter, playing loud music or any other misbehaviour is strictly forbidden, as is eating on the bus. Pupils are expected to behave responsibly on transport to and from Princethorpe College.
- Except when embarking or disembarking, all passengers must remain seated with their seat belts fastened correctly.
- Whilst on a school bus, all passengers must accept the authority of a member of staff or driver, who may ask them to obey any reasonable instruction such as pick up litter, cease from certain actions or to move to a different seat.
- Failure to comply with these conditions may result in the matter being referred to the pupil's form teacher or Head of Year and may result in disciplinary action, including temporary or permanent withdrawal of permission to use the school bus service.
- Princethorpe College aims for 95% of journeys to operate within the transport industry window of tolerance of one minute early to five minutes late. However timings may vary due to traffic conditions or unforeseen circumstances.
- Pupils must be in Year 7 or above to travel on the school bus service.
