# Terms & Conditions

1. This agreement is made between all school bus passengers, their parents and St John’s College School in order to provide safe, comfortable and civilised journeys for all passengers.
2. Arrangements for pupils’ journeys to and from the school are the responsibility of their parents. To assist with discharging this responsibility, St John’s College School provides a transport service.
3. Transport on the school bus service must be arranged in advance. If you wish to use the school bus service on an ad hoc basis, or to vary the details of your bus travel as a one-off, you should book travel via the website prior to travel. Payment for the service is made online at the time of booking and your child’s name will automatically be added to the register. Bookings are to be made online via [stjohnscollegeschool.vectare.co.uk](https://stjohnscollegeschool.vectare.co.uk)
4. Bookings on the school bus service are nonrefundable in the event of a pupil failing to travel.
5. It will be the parents’ responsibility to inform the school via [shoffice@sjcs.co.uk](mailto:shoffice@sjcs.co.uk) if they no longer wish to use the school bus service. A half term’s notice must be given by a parent prior to the removal of a pupil from the school bus service (apart from an ad-hoc journey). If an ad hoc journey is cancelled with more than 24 hours’ notice the booking can be transferred to another journey.
6. No pupil is permitted to travel on the school bus service if not pre-booked for that bus. Other arrangements for journeys to and from school must be made by them or their parents. Pupils must travel to and from St John’s College School in full school uniform or a full school PE / Games kit (except on approved non-uniform days).
7. Pupils should be at the bus stop five minutes before the scheduled time of departure to ensure they don’t miss the service. In the evening, parents should be at the bus stop five minutes before the estimated time of arrival to collect a passenger.
8. Good conduct is required at all times and any poor behaviour will be dealt with according to the School’s Behaviour Policy.
9. Except when embarking or disembarking, all passengers must remain seated with their seatbelts fastened correctly.
10. Whilst on a school bus, all passengers must accept without question the authority of the driver or another member of the school staff who may ask them to obey any reasonable instruction such as to pick up litter, desist from certain actions or to move to a different seat.
11. Failure to comply with these conditions may result in disciplinary action, including temporary or permanent withdrawal of permission to use the school bus service. In the event that a permanent exclusion from the bus service is necessary, a full refund for future bookings will be made.
12. St John’s College School aims for 95% of journeys to operate within the transport industry window of tolerance of one minute early to five minutes late, however, timings may vary due to traffic conditions or unforeseen circumstances. Drivers will not wait past the scheduled departure time. This will not apply to the afternoon journeys due to having estimated journey times that will change on a daily basis.
13. St John’s College School reserves the right to amend/ remove any stops or route on the School bus network, to reflect any changes in Driver availability / changes in network performance. St John’s College School will provide at least a half term’s notice for any such changes in writing. In the event of any changes to the network, which adversely impact a family, parents will be entitled to remove the pupil from the School Bus Network prior to the commencement of the term of which the route/stop change it to take effect and receive a refund of any funds already paid for the remaining portion of the academic year, without needing to give a half term’s notice. St John’s College School will make every effort to avoid such a scenario.
