WEYBRIDGE

Transport Guide

2024 - 2025

Welcome

Dear Parents,

As many of you know, St George's bus service is now managed on our behalf by Vectare, a specialist school transport management company. We understand the importance of safe and reliable transportation for our students, and our collaboration with Vectare has proven to be a successful one. We are committed to ensuring that your children have a comfortable and secure journey to and from school.

This guide for the 2024-25 academic year provides information on the wide range of travel options available to pupils at St George's Weybridge and I hope you will find it of use. You will also find a QR code that takes you directly to our transport website – stgeorgesweybridge.vectare.co.uk – where you can seamlessly pinpoint your closest bus stop and book your child's transport.

Pupils will also be provided with a separate QR code at the time of booking which can also be accessed via 'My Account' on Stgeorgesweybridge.vectare.co.uk, and this will allow pupils to scan on and off the bus with ease.

If you need any further assistance, or you would like to discuss travel options from areas not currently served by our school bus network, please contact stgeorgesweybridge@vectare.co.uk.

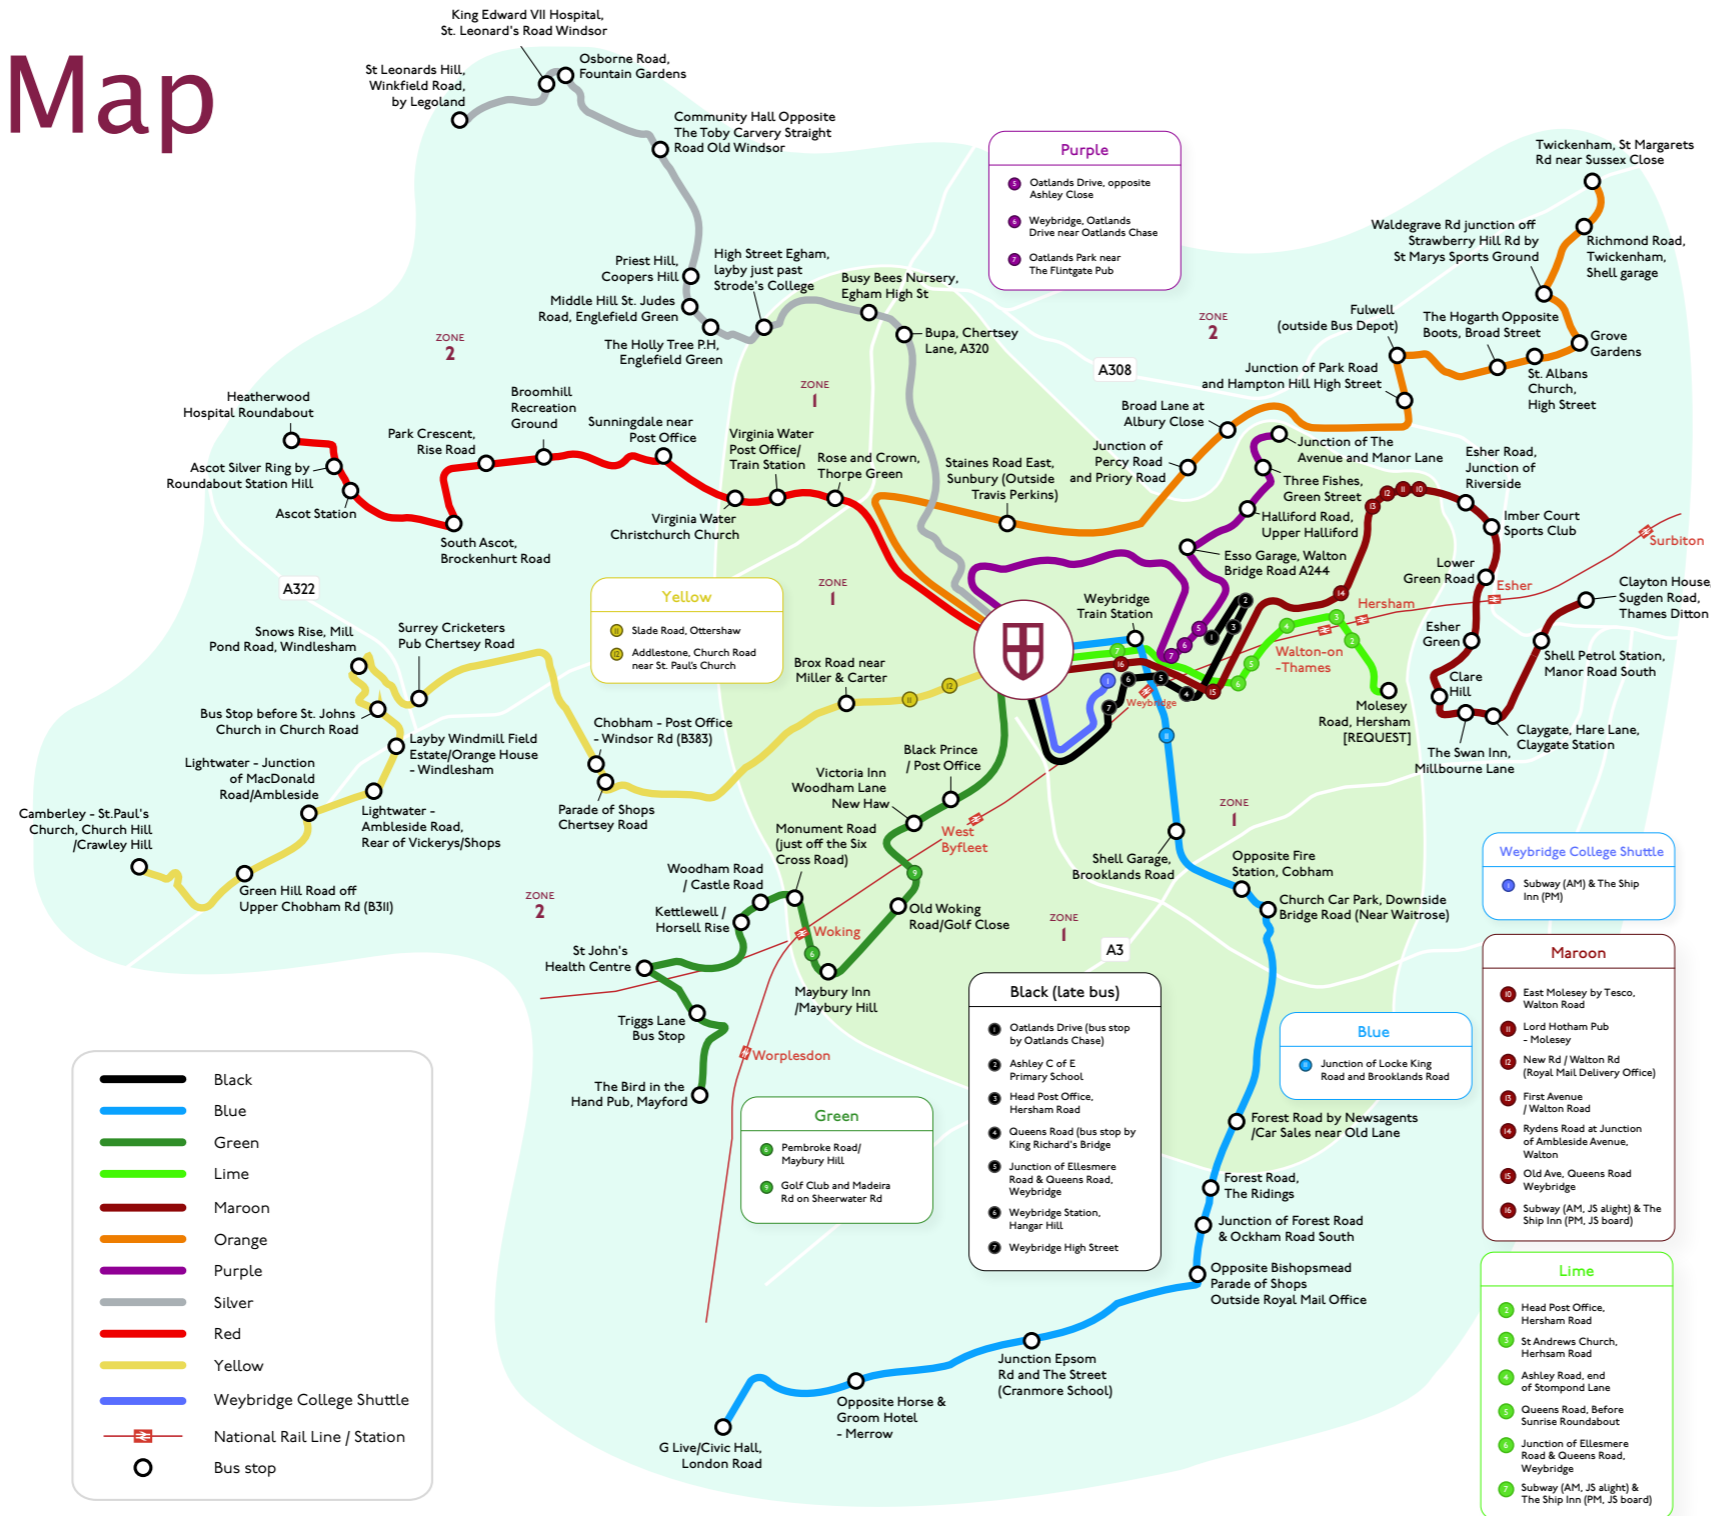

Yours faithfully,

Greg Cole
Bursar

15. St George's Weybridge aims for 95% of journeys to operate within the transport industry window of tolerance of one minute early to five minutes late. However timings may vary due to traffic conditions or unforeseen circumstances.
