Transport Guide

— 2025 - 2026 —

Welcome

Dear Parents,

This guide sets out the range of home to School travel options available to our pupils available to our pupils from September 2025. It provides an overview of the school bus service network, gives timetable information and also incorporates an interactive journey planner which allows you to enter your postcode and find your closest bus stop.

The High School of Glasgow has partnered with Vectare, a specialist school transport management company, to manage our home to school bus service. Bookings are now open and can be made via our online booking system, which can be viewed at highschoolofglasgow.vectare.co.uk or through the hyperlink/portal on the School's website in the transport section. Payment for the bus service will be made via the online booking system. Bookings can be made right up until the bus is due to depart although ad hoc bookings on the service are only available where there is spare capacity.

Other amendments and changes can also be made via the 'my account' section of highschoolofglasgow.vectare.co.uk.

If you need any further assistance, or you would like to discuss travel options from areas not currently served by our network, please contact Vectare via the bookings website at highschoolofglasgow.vectare.co.uk and they will be pleased to assist.

Thank you for supporting this exciting initiative.

Yours sincerely,

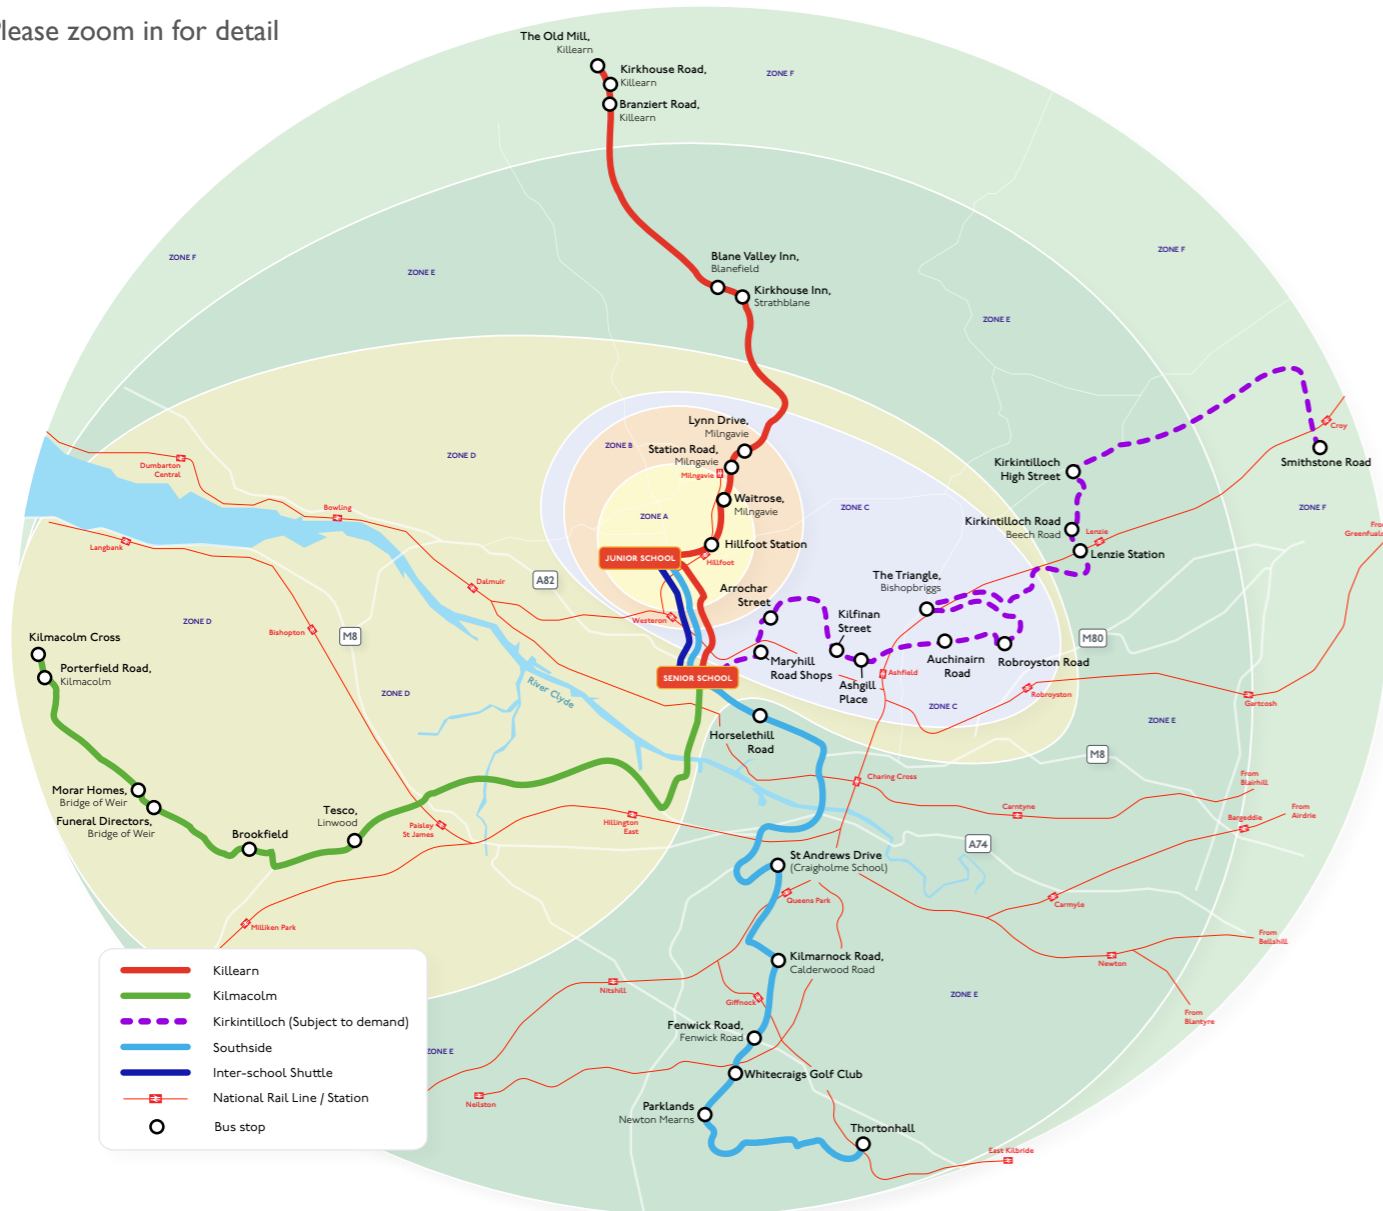

Juliet Simpson

To assist with discharging this responsibility, The High School of Glasgow provides a school bus service. Parents are responsible for their child at all times including both prior to and after boarding and alighting.
3. Transport on the school bus service must be arranged in advance and is paid for through the online booking system.
4. Bookings are non-refundable in the event of a student failing to travel.
5. Bookings are to be made via highschoolofglasgow.vectare.co.uk.
